...and have put in place control measures to ensure smooth functioning

- Augmented the roles of supervisory field staff (AVP, VP, and cluster managers) to emphasize on collections, with additional support on borrower analytics from HO
- Strengthened the internal audit team to 200+ people with 95% coverage of all branches
- Utilized the backend team for customer calling, support and follow-up especially of delinquent customers
- Full control established on cash deposited by each branch in the bank through daily cash re-conciliation done at branches and further audit at HO

Organization Structure in place with CEO and CFO with prior experience of leading large MFI organizations expected to join soon. CTO from a leading private sector bank also onboarded and expected to join by end January.

Current Key Focus Areas

Transition Update

- Tenured interim management team has engaged with all stakeholders and instituted additional risk management controls along with internal audit team
- Employee engagement and initiatives implemented which has led to significant reduction in churn and high employee morale
- Recurring updates, calls and webinars with all lenders, credit rating agencies, regulatory authorities. All rating agencies have re-affirmed our ratings and no lender loans have been re-called. In addition, Company has availed new sanctions
- We have resumed disbursement and plan to ramp-up new disbursals in Q4 FY22
- Created a parallel robust IT environment with additional functionalities

Robust Asset Quality & Prudent Provisioning

- For Q2 FY22, Collections have remained healthy with 97.4% Collection efficiency (including arrears excluding pre-payments) in Q2 FY22
- Focus of the interim management has shifted to cash collected and deposited at HO; December cash collections stood at ~Rs.442 crore
- Company has been very conservative in provisioning for the quarter due to the impending covid wave and recent organizational changes. It holds a higher provision buffer on balance sheet inspite of lower portfolio at risk
- On a standalone basis, Company currently holds total provisions of Rs.806 crore which accounts for ~12.4% of the Q2 FY22 AuM; P&L impact from incremental provisions and write-offs for H1 FY22 stands at ~Rs.390 crore
- Carrying provisions of ~24.6 % on the total restructured book of ~Rs.1,299 crore (including interest as at 30 September 2021); ~78% of this book was in Par 0 bucket as of Mar-21. Restructuring was done through tenure extension for the unpaid installments, and no future EMI holiday was given. Current EMI for restructured loans didn't change and focus on collections for these loans continues as usual
- PAR 31-60 @ 2.4% and 61-90 @ 0.9%; GNPA@ 6.2%

Strong Liquidity Position

- Company has consistently made lender repayments on time over July – Nov with total repayment of ~Rs.1,927 crore in the period
- With current run rate of collections, repayment and opex, company has the capacity to generate ~Rs.75-100 crore of incremental cash per month in the absence of fresh disbursements; providing ample cover on liquidity
- Adequate liquidity surplus of ~Rs.1,369 crore as on 30th Nov 2021, and sanctions in pipeline. Availed fresh loans from select trusted lenders to provide dry powder for fresh disbursements
- Credit ratings continue to be A / A-

Focus on Employee morale and initiatives with significant reduction in company attrition levels

With < 5% attrition rates post transition, the organization is well set to deliver healthy performance in the upcoming quarters

xx Closing # of eligible employees

Employee friendly initiatives & engagements are being undertaken

- Continuous employee engagement from interim management through periodic calls and updates
- Streamlined HR processes including payout dates, process for reimbursement and final settlements
- Special increments provided to all employees to recognize outstanding collections efforts in a tough environment and align with overall market salary levels
- Evaluating initiatives to expand coverage across different insurance policies such as Health, PA and Life
- Inviting feedback and conducting ongoing evaluation to streamline compensation structures
- Covid safety measures put in place with periodic testing

*Attrition calculated only for a subset of employees for the field operations who have been working in the company for more than 1 full month

Collections have been healthy through the transition and continues to be a key focus area for the management...

Collection back on track with collection efficiency touching 97% in Q2FY22...

... with Significantly Improving Month on Month Collections

Numbers for standalone entity; *Oct CE adjusted for advance pre-diwali collections done for November; unadjusted collection efficiency of 111%. Oct'21 CE includes prepayment; ¹ CE for the entire portfolio in-line to the reporting done in previous quarters.; calculated on current demand for the respective quarter/month. Restructuring for the loans is done by tenure extension with no EMI change and hence there is no overdue demand for the restructured loans as on Sep 30th; current demand is included for restructured loans

...with interim management focus on tracking cash collections (excluding any pre-closure)

Focus of the interim management has shifted to cash collected and deposited at HO
December cash collections have been better than previous 3 months inspite of run down of portfolio

Rs. crore

*Note: Numbers for Spandana standalone; *Adjusted for pre-Diwali advance collections for the month of November'21 in October'21*

Increased Focus on Risk Management Practices post Transition with Specific Long-Term Priorities Mapped Out

- Post transition, the near-term priorities for the internal audit team was focused on 3 key areas: Collections, Cash Management and Branch Control and engagement activities
- Regional Audit Heads accompanied field auditors and visited branches to maintain control on monitoring and risk practices
- HO Audit team engaged in tele-calling ~200 delinquent customers a day to verify status and amount of payments made
- Fraud detection and verification processes have been consolidated and strengthened with multiple checks and balances
- Long term priorities for the Internal Audit team include:
 - Creating and implementing a standardized Audit matrix to add automation to the audit process and improve efficiency
 - Additional checks on items such as denomination register and daily collection tracking being implemented at branches
 - Central HO team to conduct detailed analytics on exceptions to be shared with the field team for further investigation
 - Increased focus on thematic audits every month to deep-dive on specific internal processes to ensure adherence to policies and regulations

Conservative Provisioning Levels built into the Portfolio

Total portfolio coverage for H1FY22 (provisions plus write-offs) stands at a comfortable Rs.390 crore; Total provisions on BS of Rs.806 crore alone account for 12.4% of the portfolio*

Niche Business Model

Business Model

- Group size of 6 to 10 women
- Loans given under Joint Liability Group (JLG) model
- Monthly & Fortnightly centre meetings
- Leverage the existing customer network (borrowers and branches) to cross sell financial & non-financial products
- No Regional , Zonal & state offices (only branches & corporate office)

Processes

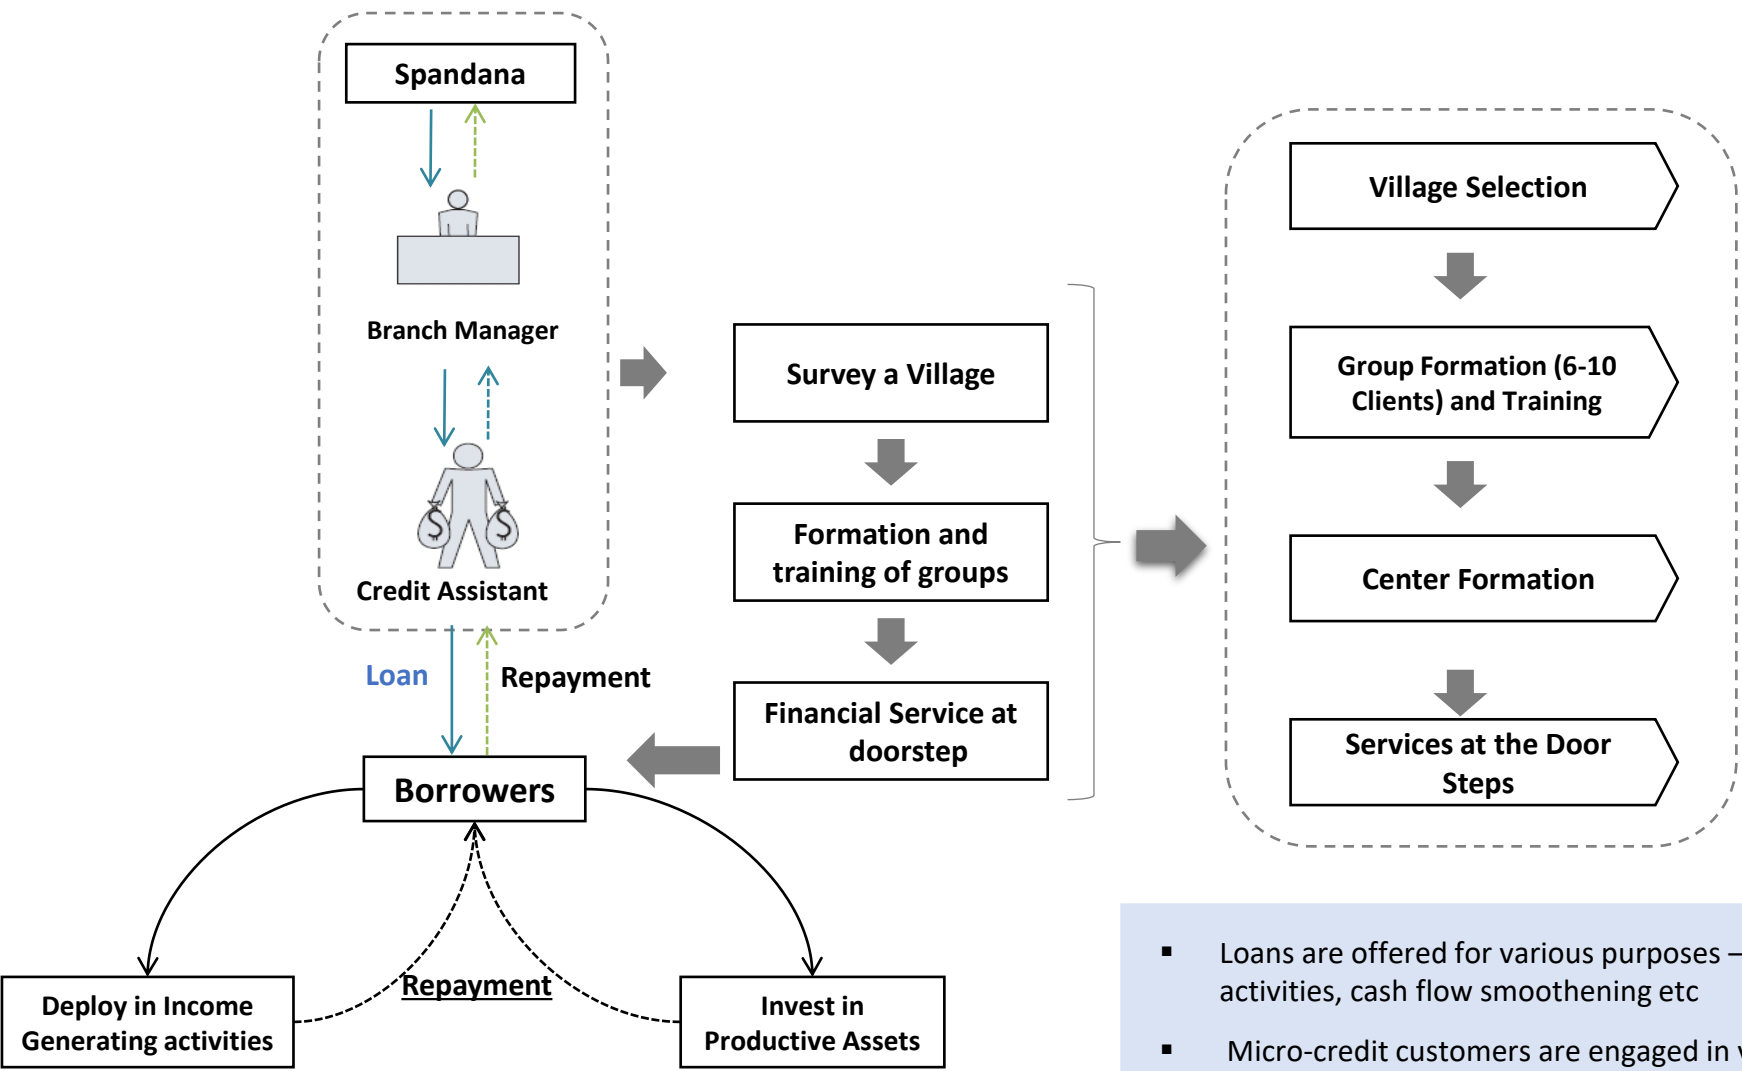

- Standardized systems and a front-end interface that gives real time information on demand and collections
- Checks and controls built on the system have been automated with minimal human intervention
- Timely disbursement of loan to all in the group at one-go
- Disbursement norms are also calibrated based on branch categories
- Mandatory credit bureau check prior to loan disbursement

HR policies

- Strict employee transfer policy with adherence to operational risk control
- Performance driven culture through incentive structure for field staff
- Seasoned Credit Assistants ("CAs") can be trained to assume the role of Branch Managers ("BMs") while seasoned BMs can be trained to assume the role of Cluster Managers
- Grooming internal employees and building talent pool for future growth

Efficient Business Process

- Loans are offered for various purposes – Agri/ Agri-allied activities, cash flow smoothening etc
- Micro-credit customers are engaged in variety of livelihoods and have different credit needs for which these funds are utilised
